JUDGMENT

Petitioners are Scientific Assistants working in the Forensic Science Laboratory, Thiruvananthapuram. Second respondent issued Ext.P3 order insisting options for transfer and posting of Scientific Assistants. According to the petitioners in response to Ext.P3, they have made their options vide Exts.P4 to P7. Presently it is submitted that the petitioners apprehend that transfer and posting will be effected in violation of the terms of Ext.P3. It is the admitted case that at present nothing has been done as apprehended by the petitioners. Therefore this Writ Petition is purely apprehensive and premature. The Director having issued Ext.P3 and without having done anything contrary to the same, I find no reason to think that the petitioners are well founded in their apprehension. Writ Petition lacks merit and the same is dismissed as premature.

Antony Dominic,
Judge.
